PREPARE YOUR BUSINESS

Every company will have a unique process to follow to transact with a new vendor, so make sure you socialise this with your relevant internal stakeholders. If your procurement or finance department follows a formal vendor set-up process, then follow the steps below.

- 1 **Sign into your Autodesk Account**
If you do not have an account, click "Create Account."
- 2 **Access the Vendor Setup Forms for Your Region**
Select your region from the drop down list.
- 3 **Download the Prefilled Vendor Form**
You will submit this to your procurement department along with other required documents.
- 4 **Download the Banking Information Form**
From the same region list, click and download the banking information form.
- 5 **Download Additional Information**
If you need to provide more information to procurement, download it from "Frequently Requested Information."
- 6 **Submit the Necessary Forms to Procurement Department**
If you are unable to find any of the information needed, contact Symetri for assistance.
